# Cabinets Cabinets Cabinets

GARAGE CABINETS need to be built tough but also look good at the same time. A good design is paramount when you start considering; cars, kids and future storage needs. We have over 25 years of experience in custom cabinet making. The quality of our workmanship and the quality of the products we use, ensure you get great value for money and a long and trouble free storage solution.

Our Garage Buddy cabinets are made tough. All steel construction that has a baked on powder coat finish in our special garage series colours. GARAGE CABINETS never looked so good and cost so less. These Buddies come in flat pack boxes for the handy person to assemble or we can assemble for you at a reasonable cost.

# Your Stuff Is Out Of Sight

**Stylish**

With stylish designed cabinets you'll be spending a lot more time in the garage.

**Quality**

We don't compromise on quality just because it's in the garage. We give more because it needs more.

**Variety of Styles**

A range of sizes and variety to suit any requirements or tastes.

**Garage Tuff**

Our products are not just tuff they are GARAGE tuff. Built custom for your style.

## What are Custom cabinets?

A Custom cabinet is many things to many people. We understand that every one is unique and has different tastes and styles. The garage organisers create what you need in a style that suits you. Sure custom cabinets cost more than prefabricated ones but you know the difference when you see it. In fact nothing generates the WOW factor more than a row of custom cabinets in your garage. With only the most durable and strongest material used you will have that wow factor for a very long time.

Our Steel Buddy cabinets come flat-packed and ready to assemble. They come in a variety of sizes and can be easily clipped onto our Tidywall or Garage Grids and can be rearranged anytime. Visit our showroom and website to see how our garage systems can help you get organised.
