# Shelving Storage Solutions

Longspan shelving could be the solution to your garage storage dilemma. These shelves are designed to give you maximum storage for minimal effort and expense. Easy to install without the need of any tools. All the shelf levels are adjustable and can basically be re-set to your storage requirements. Solid steel members and baked on powder coating assure you that this shelving system will last far beyond your lifetime.

We carry a huge line of shelving for any storage needs that you may have. We stock adjustable shelving systems, fixed to wall shelving and free standing shelving all designed to organise any sized household items you may have.
